SAMconnect

Connecting your organisation anytime, anywhere

SAM's new communication platform will help you to share hot topics, top tips and important updates with staff wherever they are.

Using SAM you can upload notifications into category sections and choose who they are sent to. The employee can then access these alerts via a remote application or through the SAM employee portal.

School News
Send school specific updates, staff changes or cover plans, contractors on-site, upcoming events

Safety News
Inform employees of any safety concerns or alerts they need to be aware of

General
Share Government guidance or best practice information

Policy Update
Notify employees of any policy changes that they need to be aware of including links to the document for them to read

Training
Share any training events or suggestions for training updates

Events
Set up staff briefing sessions or online webinars, inform employees of school events

Community
Share any community updates such as sports activities, useful community links and partners

Pupils
Share information about pupil welfare, events for pupils or key lesson information

Staff
Share with employees wellbeing tips, notify them of pay updates and other staff related news

Important
Any high importance, urgent notifications or alerts

SAMconnect is free to all schools and trusts until September. Call 01924 907319 to find out more.
