

Safer Recruitment

With this accredited training course, you will gain the safeguarding skills you need to better protect children while recruiting staff and volunteer roles in education.

Safer Recruitment looks at what you need to do, in order to safeguard children and young people from unsuitable individuals who might apply to join your organisation.

The course covers the background to and scale of the problem, and consists of four concise learning modules, including job interviews and vetting checks, and the importance of ongoing vigilance.

There are a variety of interactive learning methods utilised in this one day course:

- Teaching Pages
- Film and Audio Clips
- Reflective tasks
- Activities and quizzes

Certificate issued upon completion. Ensure your school is applying best practice in all aspects of safeguarding by booking your place now!
